

# **ALL ALCOHOLICS ANONYMOUS HISTORIANS**

**Help preserve our history in Canada.**

Some of the stories have been gathered over the years, including such books as "AA's 50<sup>th</sup> Anniversary" in 1993.

Recently an ad-hoc committee of members of Alcoholics Anonymous was formed to gather 'more of the story'.

Our mandate is to gather history of other towns / locations from across Canada... before it is lost forever.

**CUT-OFF DATE 11/11/16**

There will be a new Editorial Committee – members of Alcoholics Anonymous from across Canada. Canada will be represented by three areas, all of which will be served by long-time members with good working knowledge of our Traditions.

The year 2017 will be dedicated to producing a 75-year Canadian AA history book.
